HOWARD JULIUS NAVINS

Forty six years ago, a young man left Dummer Academy, only to return six years later. Since that time he has left a legacy that few, if any, will be able to equal. While he started off teaching only Biology, Latin, and German, during the past 41 years he has instructed students in almost every subject area the school has offered. Today, most of us know him during the class hours through his Latin and Speech Courses. In the afternoon, he is often found out on the playing field encouraging the athletes and lending a hand whenever possible, even though of late he has not officially coached a team.

Although an outstanding athlete during his years as a student at Dummer Academy, his greatest renown was as a coach. His name became synonymous with dedication and sportsmanship. He was loved and revered by his players for the care and concern that he showed to them.

Yet, what we will always cherish in our memories of this gentleman is the warmth, the friendship, and the understanding he has given to all those fortunate enough to have come in contact with him. At the time of his formal retirement from Governor Dummer Academy, we humbly dedicate the 1977 Milestone to:

HOWARD JULIUS NAVINS

in the certain knowledge that he will always be part of the spirit of Governor Dummer he inspired for such a long time.

# The Headmaster

JOHN WILLIAMS RAGLE; University of Chicago; 1943, B.S. Middlebury 1951, M.A.; English

The summer is nearly played out. Gone are the visiting groups that kept the campus quietly alive after the cheerful exodus by students and faculty following graduation late last spring - the baseball camp, the Japanese self-defense workshop, the choir boys whose chatter and whose antics for a second summer lent us the look of a junior school . . . On Morse Field the disciplined sounds of two high school football camps are precursor to our own high hopes for the 1976 fall athletic season.

Once more the campus is trim; the dormitories and classroom buildings, painted and polished, stand expectantly. From summer jobs or summer study, faculty families reappear; from Maine, from Maryland, from nearby in Massachusetts new faculty settle in and meet their colleagues. Those of us who have manned the offices - and enjoyed the tennis courts, the Ould Newbury golf course, the breathing spell of summer weeks - welcome the renewed air of anticipation.

From Admissions are to come 130 new students, a wide assortment of backgrounds, talents, and ambitions: an unusually attractive contingent, we think, to swell the seasoned nucleus of 199 returnees. For the first time in 214 years girls on campus will number over 100; the larger Peirce Dormitory replaces The Farmhouse and joins Moody as a residence for young lady boarders.

A largely veteran Senior Class - led by a National Merit Scholarship competition semifinalist and winners of two Letters of Commendation; by seasoned athletes, including strong representations from last year's outstanding girls' field hockey and boys' lacrosse teams; by successors of high promise to leadership in the spectrum of school activities - is poised on the verge of what gives promise of being a rich year for all at the Academy, individually and collectively. It is time to say: "Hail! Welcome! and Godspeed to the Class of 1977!"

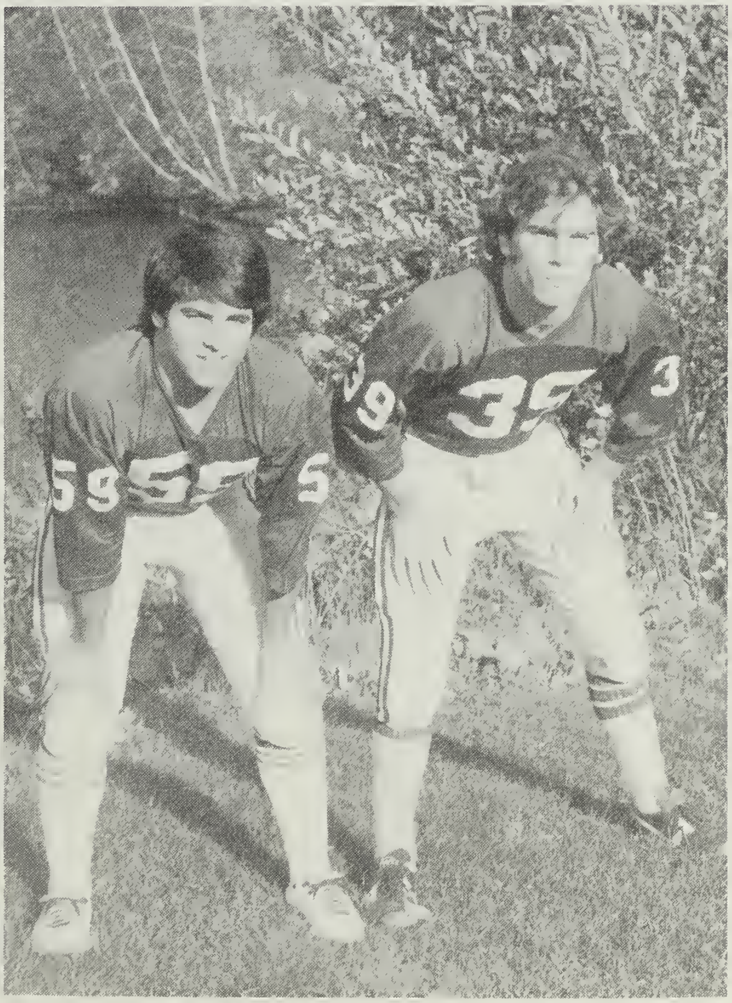
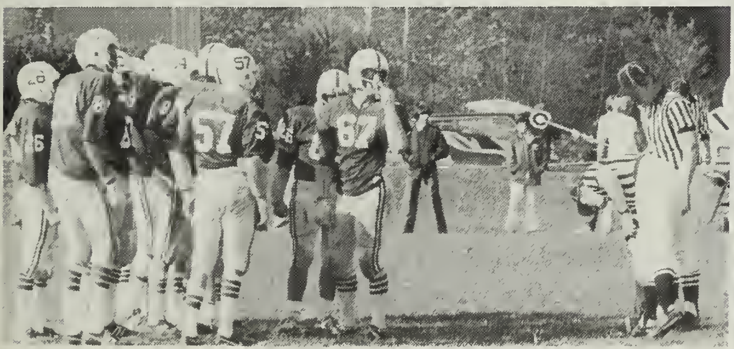
More than the usual excitement surrounded the G.D.A. football program this year as school opened in the fall. Reason being that the team had two genuine leaders in Captains Joe Pietrafesa and Ben Collins. There was also a strong nucleus of returning letterman led by Tom Driscoll, Huw Jones, Ike Suggs, and quarterback Chris Shea; and there were several highly regarded newcomers such as Tom Knudsen, Bruce Carter, and Bob Corr. But most of the enthusiasm was generated by the arrival of the newly-appointed head coach, Morton Soule. Soule impressed both players and coaches with a well-conceived offensive and defensive system, spirited pre-season practices, and impressive stand-off in a scrimage against powerful Exeter Academy, and ultimately a very successful season during which the Governors won more games than in the previous four years combined. This generated a special type of school spirit and pride that a good football team can provide.

With a new system, and a new coach the team's opener took on added importance, especially since it was to be played against one of the leagues arch-rivals, St. Sebastians. The Governors showed in this game that two of the important weaknesses of past years, pass offense, and pass defense, had been much improved. The Governors won this big game, 8-0.

After a win over Buckingham, Brown and Nichols, and a bitter loss to Thayer Academy, the Brooks' game became of crucial importance. After a highly emotional first half, highlighted by the discovery of a mysterious red "G" at the 50-yard line, and what could only be termed an "aggressive" warm-up, the Governors found themselves behind, 6-0. But the Big Red put it all together after half-time. With a crushing defense, and the running of Bob Corr, the team scored eight points. They came out as winners, 8-6, and remained one-half of a game away from the league lead.





After disappointing losses to Groton and St. Marks which destroyed chances for the league title, the final game of the year against powerful Belmont Hill became the last chance for the Governors to finish with a winning season. Despite their enthusiasm and forty-eight minutes of hard hitting, the G.D.A. defense could not cope with Belmont's sophisticated offense, so the season ended with a disappointing third straight loss and a record of 3-4.

The Belmont Hill game was heart-breaking, but the season was not. In two and a half months, Coach Soule established a rapport with his players, and gained the type of respect from them which is only accorded the truly fine coaches, in any sport on any level. In this one season, the Big Red erased completely its reputation as the league's doormat, or "soft-spot on the schedule". Virtually, every opposing coach acknowledged them as the hardest hitting and the best prepared team in the league, and they will be remembered as that for many years. 1976 will be looked back upon as a significant turning point in the abilities of Governor Dummer athletes, and the members of the football program can be proud of the major role they played in it.

"Oranges, HEY, they're the best part of the game!"

Something just did not click for the Varsity Field Hockey team this year. After an undefeated season and losing only three seniors last year, everyone had high hopes. However, for the most part, the team was unable to work together as a unit, and the 4-6-3 record illustrates this.

Maybe everyone was just a little too sure of themselves as a result of last season. It took two-thirds of the year for the team to finally realize that you cannot win games by simply riding on your reputation. The important thing was that everyone finally did become aware of this and tried to improve on it. In fact, the last five games were played with a determination that did not exist during the first few matches.

Although the record was not terribly impressive, the team had many talented players who improved during the entire season like Hilary Laraba, Sam Adams, and Ginny Sutton, all of whom were forwards. Pam Webb was a new addidtion this year and helped the attack greatly.

"STICKS!"

The guiding genius this year, Mrs. Baker, invented an entirely new strategy which called for the use of a new position named "links". Susie Baker, Allison McElroy, and Lee Wade did this job and it is to these people that the goal scoring credit can be given. Jeannie Walz, Debbie Baker, and Kathy Wise and later Evie Saliba were the dependable halfbacks. Since one more forward than usual was being used, one less fullback could be used. This elimination left Betsy Saunders all by herself. But, on the rare occasion that Betsy missed a play, Alice Moseley was always playing a strong goal to back her up.

The whole squad, with the exception of three players, will be graduating this year, but with many experienced J.V. players, the prospects are very bright for the future.

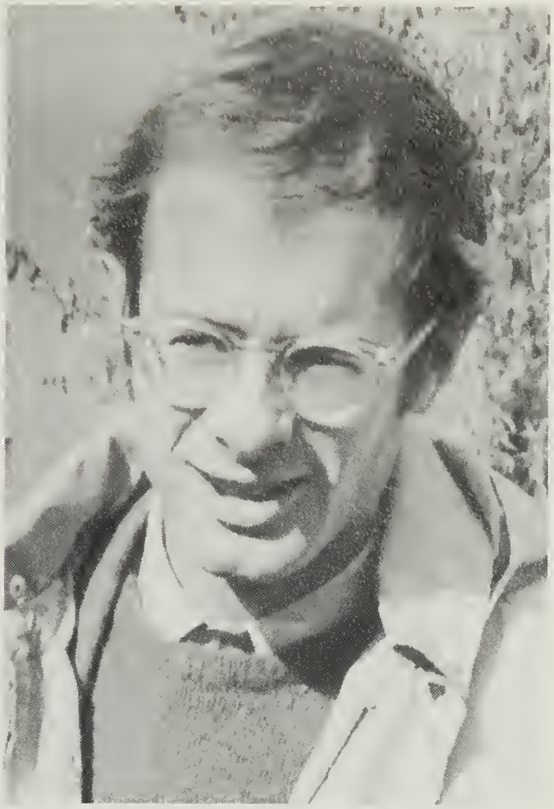
After losing to many schools last year, this year's Cross Country team came back for revenge. With a strong portion of last year's team returning, and an addition of some new talented runners, the team had a great season with eight wins, two losses and one tie.

Because of a great deal of hard work and good coaching, the team improved all season, with runners breaking personal records in every meet. The determination that made this team so strong was displayed in the meet against Thayer; one of the fastest teams in the league. Our runners realized that only with effort could we beat Thayer. Everybody ran their best, and we tied Thayer, making that meet one of the highlights of the season.

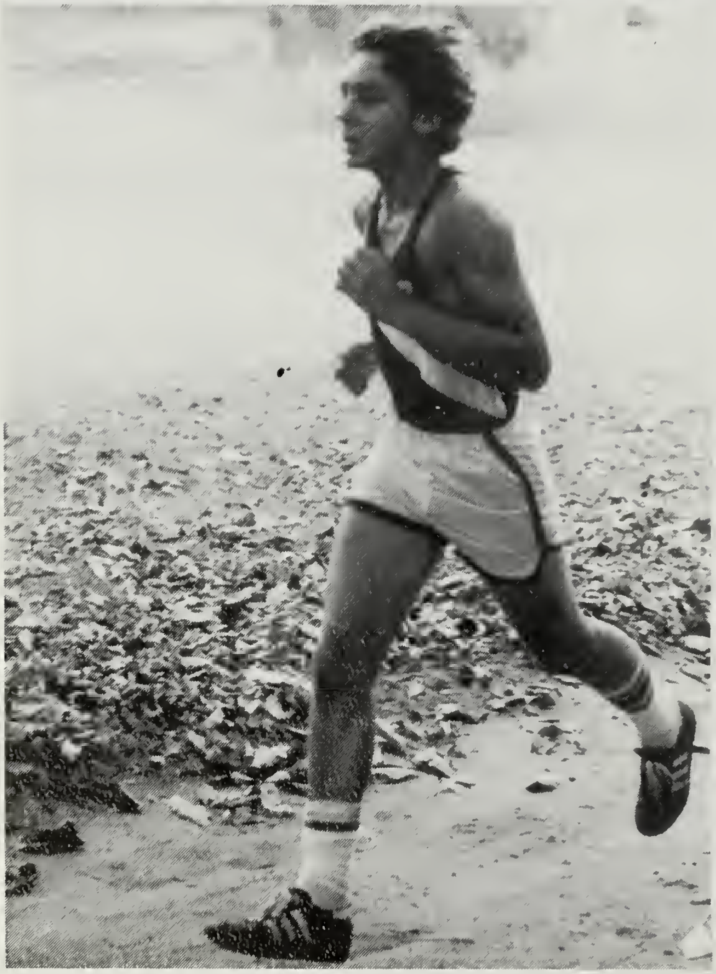
The Cross Country team's strength was partially due to the return of the fastest portion of last year's team: co-captains Eric Laub and Tim Woolf, M. Graham, and H. Rosen. The team was additionally strengthened with the addition of some new talented runners: Bob Kruger, Greg Rose, and Jeff Hatfield. Bob Kruger was a great help to the team; "in each meet we knew we had at least one place secured in first." Bob, a new student from Maine, lowered



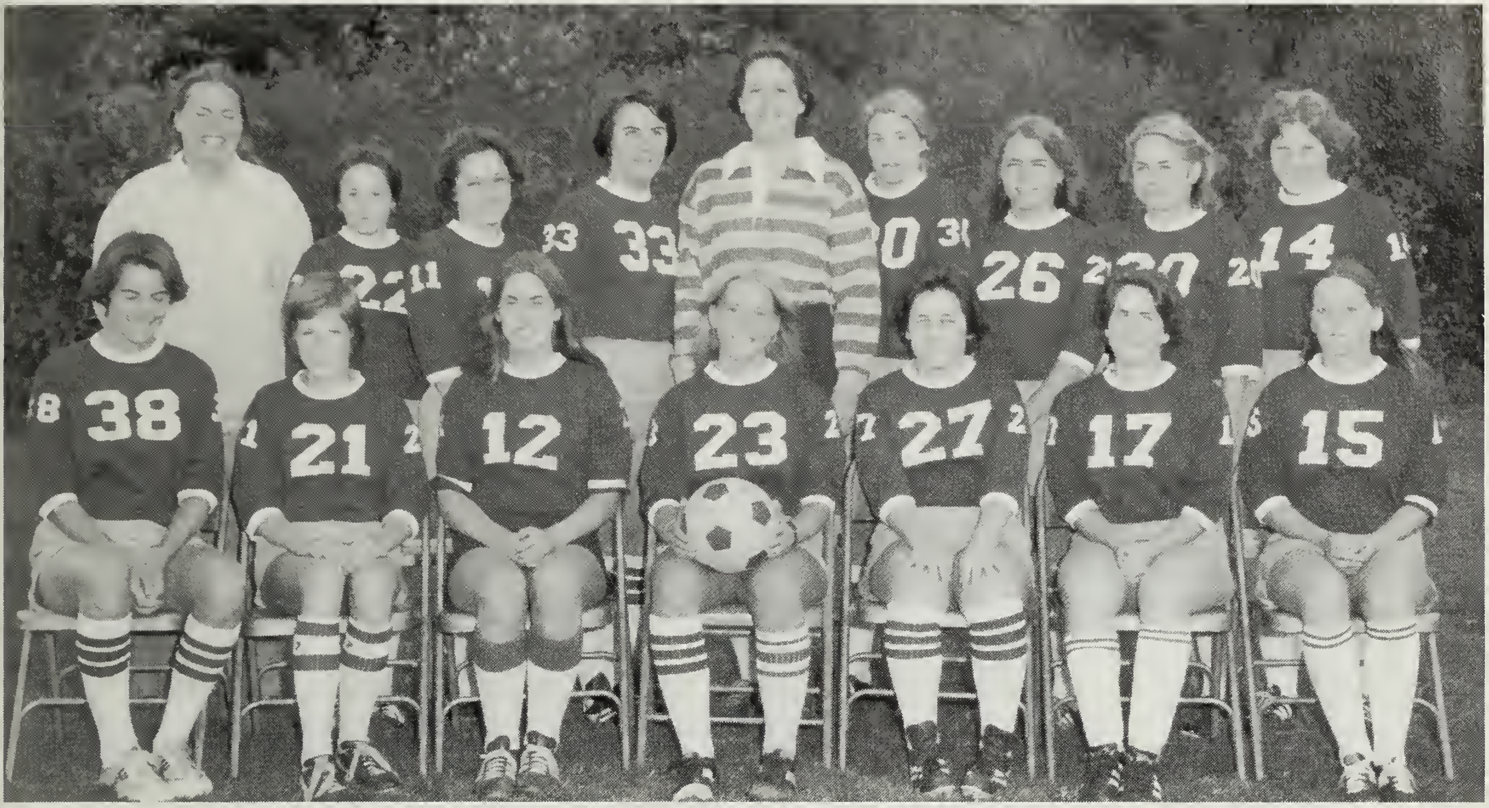
our course record from 14:11 to 13:42, and broke the record of almost every other course that he ran on. He was awarded a trophy for placing first in the I.S.L.'s, and also received the well-deserved M.V.P. award. However, Bob's achievements should not overshadow the superb efforts of the rest of the team. Tim Woolf and Eric Laub performed very well this year and often were able to capture second and third place. M. Graham gave his best effort every meet and although he did not break his PR every race, he improved greatly and has a promising future as next year's co-captain. Greg Rose was new to the team this year, and through hard work he became one of the team's best runners. H. Rosen returned

from last year with great effort, determination, and humor. H. has two more years for improvement, and should perform well as next year's co-captain. Jeff Hatfield pleased the team with his natural running talent, and if not for an injury early in the season, he could have been one of the top four or five runners on the team. Jeff also has two years for improvement and should be very strong next year. A Cross-Country team is not made up of just seven people; the rest of the team deserves credit also.

The Cross-Country team has good prospects for next year. They are graduating only three people out of the top ten runners, and with the leadership of Coach White and co-captains M. Graham and H. Rosen, the team is sure to do well.



# Girls' Varsity Soccer



FIRST ROW: S. Cavanaugh, L. Miller, W. Bixby, G. Hoglander, W. Silin, L. Sapuppo, S. Barry. SECOND ROW: Ms. Clark, M. Zink, J. Foucher, P. Milligan, M. Storey, G. Roorbach, A. Woodbury, K. Saunders, S. Potter.

If you did not take a trip to the lower fields, you missed one of the most dynamic editions to the G.D.A. Athletic Program. GIRLS' SOCCER. Not only was there an abundance of soccer ability, but also a variety of cosmic relief. Between sprained ankles, bumps, bruises etc., and the usual amount of exercises, stretchouts and laps (love those laps), the girls completed a fairly decent first season. With various key players, too innumerable to mention, the girls wound up with an interesting win-loss record. However, the record does not reflect the amount of skill and output that the girls displayed, and their enthusiasm and love for the game never dampened.

One of the noteworthy jockettes on the field was Gretchen Roorbach, as a new sophomore she scored the teams first goal. Leading the fierce team as captain was Gail Hoglander. The M.V.P. was Linda Miller who exhibited extraordinary playing ability. Also, in her first experience with soccer was the ever-present Miss Clark. Using her athletic know-how Coach Clark helped mold the girls' first soccer team. With her help and a few new recruits, next year's team is sure to have a great season. Sorely missed will be all the seniors who added not only their ability, but good humor and many laughs to the team's spirit. Being a member of the G.D.A. girls' soccer team was quite an experience on the whole. It's been real. Good luck and best wishes to the team of '77.

# Girls' Tennis

1st row - Ann Dew, Heather Blair, Elaine Salloway, Pam Morais. 2nd row - Mrs. Mechem, Valerie Turner, Carrie Lyons, Vicki Papiaunou, Trish McKee.

This year the Senior girls' intramural tennis squad was blessed with generally sunny and pleasant playing weather throughout their fall season. This factor helped the many beginners in the group to gain a quick proficiency in their game as they were able to practice almost every day. The group, ranging from beginners to fairly experienced and well-rounded players, was ably assisted by Mrs. Lucy Mechem as coach/instructor. The majority of the group were either beginners or had limited tennis experience, so the beginning of the season was spent learning the fundamentals of the game—the forehand, backhand, serve and volley. The girls quickly became adept at these basics, and all were soon playing games. The squad members practiced by playing singles and doubles against each other. About once every two weeks, the girls played a round-robin to help them gauge their improvement and foster the competitive spirit. Once special feature of the program was the opportunity the girls had to play with and against the faculty wives. Some of the wives who participated were Mrs. Fyrberg, Mrs. Tindall, Mrs. Adams, Mrs. Soule, and even Mrs. Ragle, who handily defeated any competition the squad could muster. In addition to practicing tennis skills and playing games, the girls did on-court exercises, jogged, and on rainy days worked out in the gym or on the Universal. Contrary to popular opinion, girls' tennis was not a "veg" sport; the girls played solid tennis throughout the season while exhibiting marked improvement, especially in the case of the beginners.

Captain and MVP winner Mike McAleenan

This year's Varsity Soccer team was perhaps a disappointment to some of the fans and players in terms of the 1-10-2 season. The games were harder fought than the scores indicated, but the teams failure to score with many possible opportunities was reflected by the losses.

The season started off promising, with a sizable amount of returning lettermen and many skilled newcomers. Three returning lettermen halfbacks, Tom Osteimer, Marty Arsenault, and Stuart Hodges gave solid performances in many of the games. This year's offense which centered around Touraj Touran was backed up by inner Curt Metzger and winger Steve Perry. These, among others, were instrumental in many of the scores. The defense, headed by Capt. Mike McAleenan, Jim Slater, and Peter Marshall, was under a good deal of pressure a lot of the time and they performed much better than expected McAleenan was awarded MVP at the end of the season for his fine effort throught the fall. Goalies Geoff Wall and Chris Poole did a superb job in goal, making some brilliant saves often under adverse weather conditions.

The team proceeded remarkably well, and under the coaching of Mr. Clunie, Mr. Harlow and the leadership of Mike McAleenan, the players experienced a general feeling of improvement both in soccer skills and teamwork.

Their improved play was demonstrated during the game against St. Mark's; then in second place in the league, which was praised as the best performance up to that date by Mr. Navins. The team lost unfortunately 0-1 on a goal in the last four minutes. Never-the-less, it was a hard fought game in which the team never stopped trying.

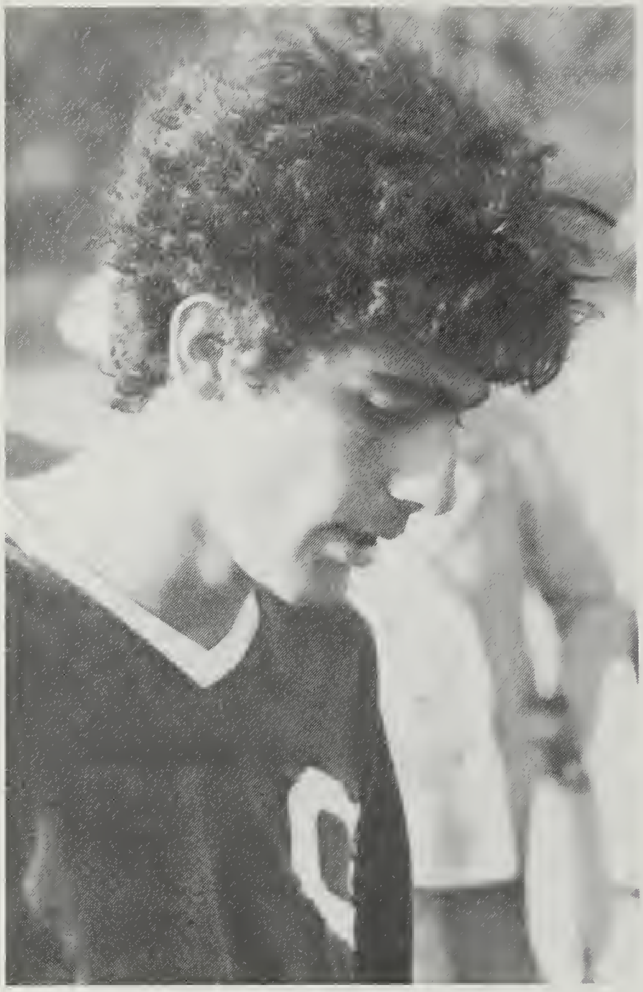
Which way did it go?

I got it!

Ouch! My ingrown



We tried.

Players such as Peter Fieth and Peter French, both Juniors and new to the GDA team, proved themselves practice and played in almost all of the last six games. Tim Richards was awarded the Navins Cup this year and this recognition was well deserved.

The team could have wished for a better performance in terms of the record, but were satisfied with their effort and those who are returning next year are eager to better this year's record. Many will be graduting, but under the leadership of next year's captain, Jim Slater, and the many returning players, it is expected that next year's team will surpass what achievements this year's team compiled.

She is NICE!

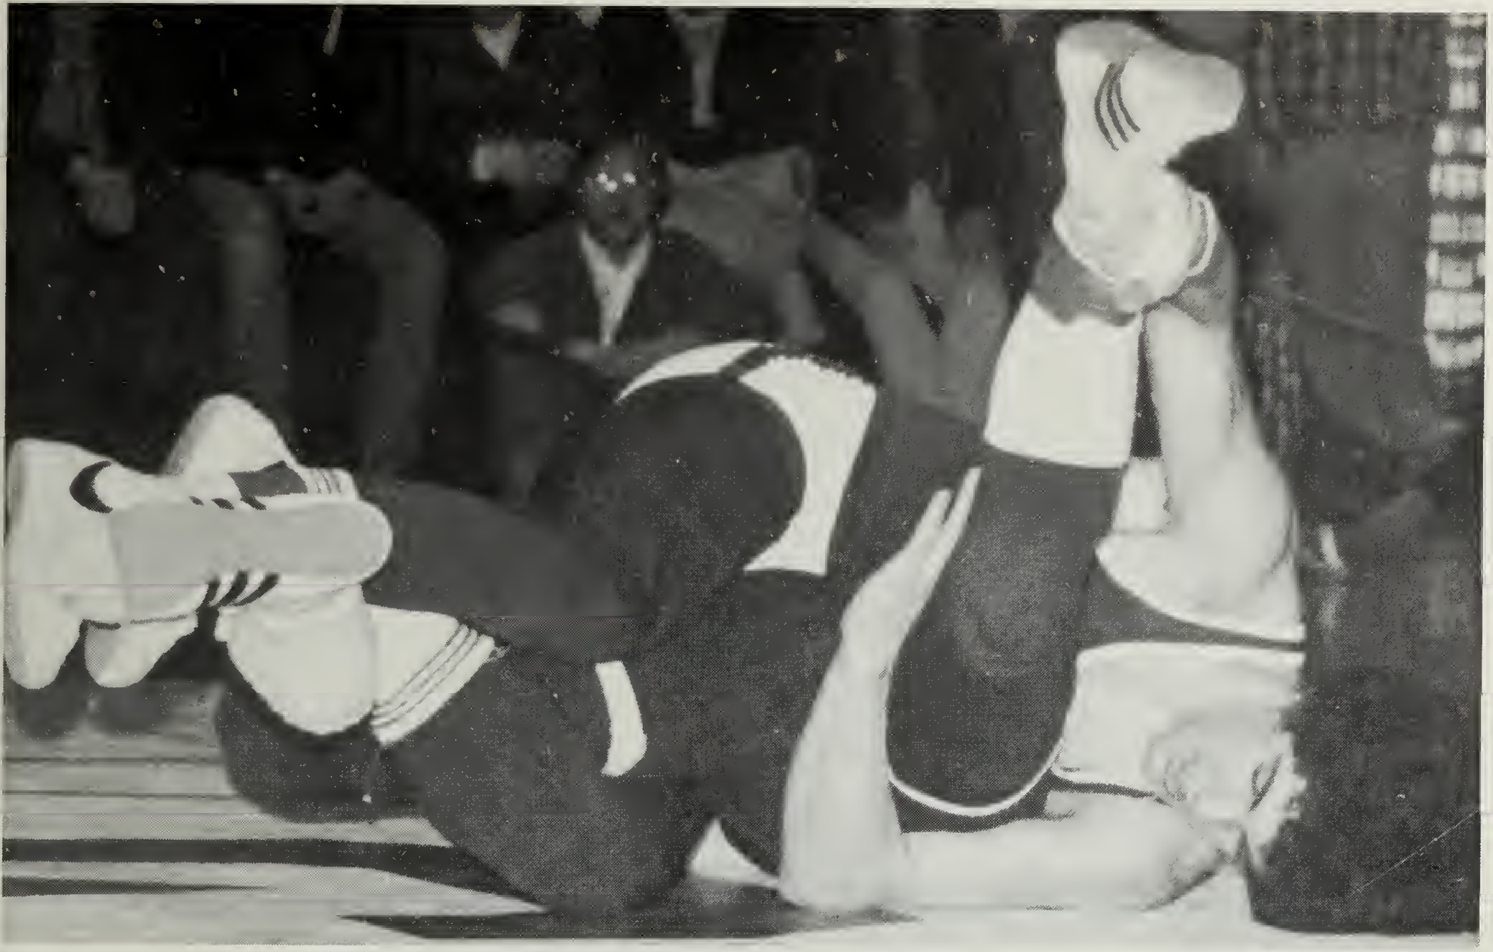
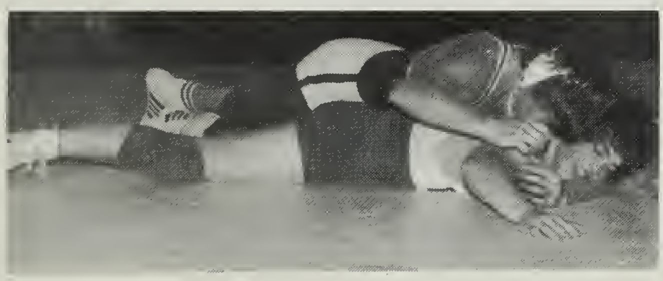
What strange and special breed of athlete inhabits the northern most corner of the gymnasium during the cold winter months? They are none other than the wrestling team. Contrary to popular belief, they do not enjoy crash diets, wearing four pairs of sweats to practice, running around the gym all bundled up, being nervous before each match, and having a stomach that growls all day. They call themselves dedicated, but the majority of the school refers to them as crazy.

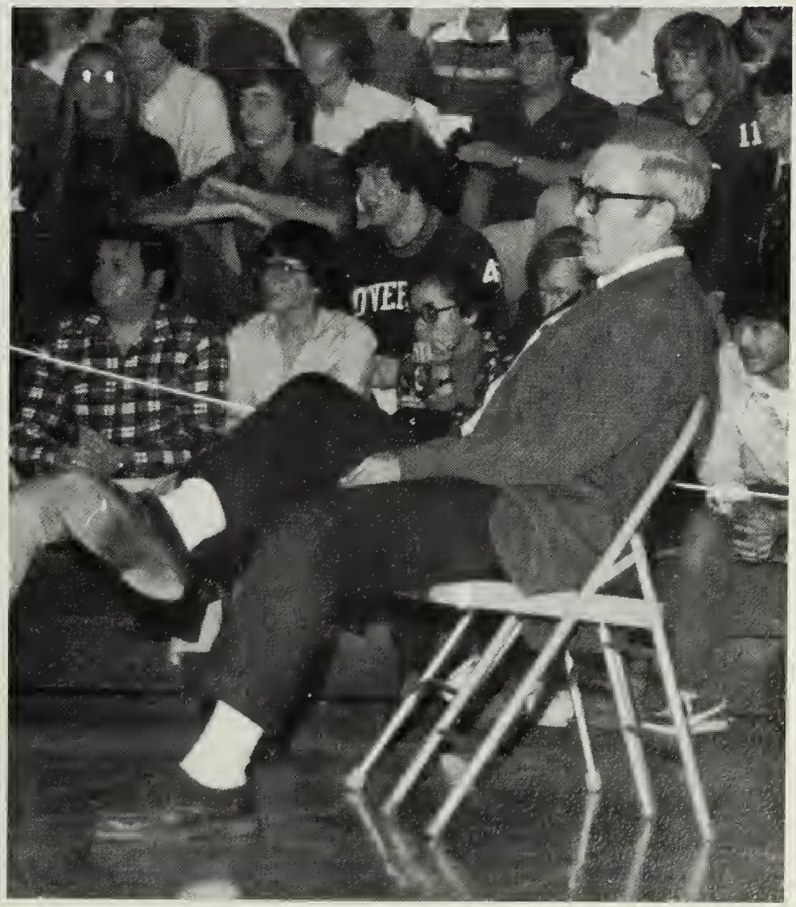
The season started before Christmas vacation with the annual Pre-Christmas Tournament at Milton Academy. The Tournament ended with co-captains Eric Laub and Mark Vorreuter as Champions at 121 and 133 lbs. respectively.

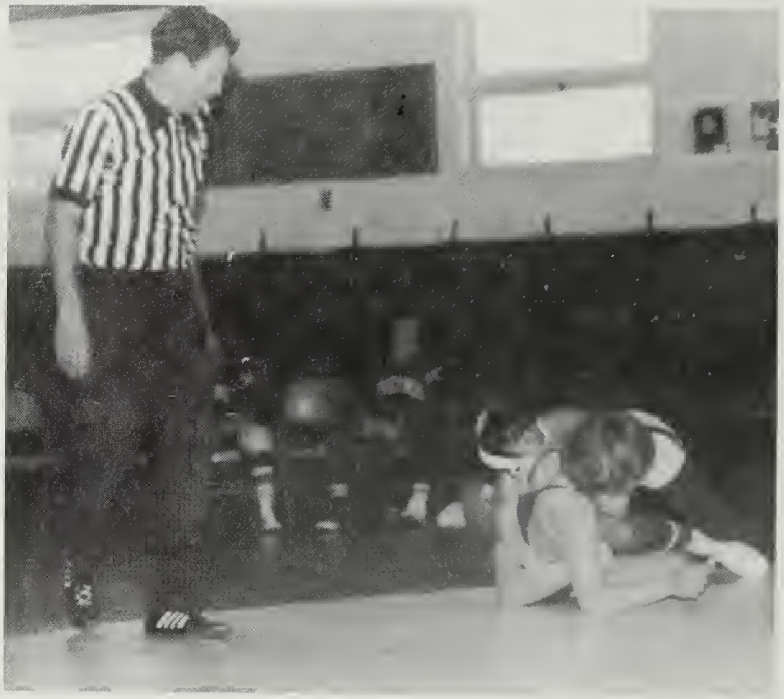
They started the dual season with only five returning starters from last year's squad and no heavyweight for the first three meets. This may account for their 4-6-1 season. The squad's home meet record was 4-1-1. This was most likely due to the home crowds. A crowd of rowdy fans screaming and chanting a wrestler's name is an ego trip which is a necessary part of a wrestler's diet. The team thanks their fans for their important contribution to success. This crowd stirred up the aggressive spirit which is a necessity in grappling with an opponent. Unfortunately, away meets lacked this aggressive spark. It was present at some away meets but more often was used to subdue Bendy on the Bus rides to meets. What the team lacked in aggressive wrestlers was made up in the quality of their sadists. Eric Laub stands clear with his famous Guillotine and Can-Opener moves. Jack Lu's use of the Head Scissors gives him a close second. It must be added that these moves are not painful, just extremely uncomfortable, as Mr. Evans would say.



Bendy demonstrates the legs.







The season ended with the New England Prep School Class A Tournament. GDA finished the day with Tom Knudson and co-captain Laub winning fourth places; Huw Jones capturing a third; and Andy Bendetson earning a second place after going overtime in a tense final round. Special thanks should be extended to Mr. Evans and the rest of the people who helped host this home tournament.

The highlights of the season came when the team needed them most. Their wins over Thayer, Brooks, St. Paul's, and Milton were like a weigh-in breakfast to a starving wrestler: satisfying! Other highlights included Knudson's defection to the squad from basketball; the day Bendetson came to practice on time; all the "N.F.W."'s and "too tired to practice" excuses; and the afternoon Jack Lu's and Huw Jones' co-op mulch pile got up and walked out of the locker room.

Special mention must be given to courageous first year letterman such as Stu Cawley, Chris Stafford, Andy Linn, Collin Kellogg, Greg Wicander, and Mad Dog Knudson, who were under the watchful eyes of the returning veterans. Thank-you, Coach Evans, and best wishes for the seasons to come.

FIRST ROW: M. Blake, D. Baker, S. Cavanagh, S. Barry, G. Sutton, S. Stockwell. SECOND ROW: J. Walz, Purington, R. Tye, F. Lynch, Coach Gosselin.

The Junior Varsity Girls' and Varsity Girls' Basketball teams were chosen in November after highly competitive strenuous practices. It was the first season for Coach Gosselin and he was anxious for this team to do as well as possible. Coach Gosselin frequently said: "if we can't outplay them, we will outrun them", which accounted for the "suicides" and many laps around the gym that the girls ran.

The team had a slow start, losing their first three games, yet after Christmas vacation everyone was anxious to get down to some serious playing. They came back with five straight wins, gaining self-confidence and assurance throughout the season while growing stronger each day under the leadership of co-captains Sarah Barry and Sarah Cavanagh; Ginny Sutton and Jeanne Walz held up play as the guards, while Randy Tye worked the backboards. The team would not have been complete without Jammie Purinton and Felicia Lynch under the basket, with Stori Stockwell, Martha Blake, and Deborah Baker coming in at the guard position.

The team has had its erratic moments, such as the St. Pauls game, an exhausting highlight of the season. They practiced hard for this game, and warming up to the sound of Stevie Wonder took away the pregame jitters. It was a close match with a margin of 2-4 pts. throughout. The stands were full and when Ginny Sutton got hold of the ball, her excellent outside shots, along with her quck ball handling excited everyone. Sarah Barry's steals, dribbling, and strong hustle held the crowd in awe. Jeanne Waltz played fine defense while under the basket there was Sarah Cavanagh swirling through with her fakes, sinking the ball, and Randy Tye controlling the crazy rebounds. The girls lost in a nerve-racking overtime on a shot from the opposing team which sunk on the sound of the buzzer, yet, both teams got a standing ovation from the crowd. This kind of enthusiasm and confidence sums up all of the teams hard work and effort. Four of the five starters will be leaving this year, and will be greatly missed; but, the remaining Varsity and Junior Varsity players are anxious to fill in their places.

Coach Gosselin has put a lot of time and effort into producing a strong group of basketball players to represent Governor Dummer, and has done an extraordinary job. The girls have faith in Coach Gosselin just as he has strong faith in them; and this valuable bond is sure to produce an excellent season next year. Good luck to the Girls' Basketball season of 1977-78!!

A team with no seniors and only three returning players cannot be expected to be as successful as the 1976-77 GDA Basketball Team was. After a 5-3 start which included come-from-behind wins over both Lawrence and Thayer (down by seven points with 2:15 left), they greeted St. Sebastians's with an outstanding job of teamwork and handed the Sebbies (8-1 and first in their division) with an 18-point loss. Injuries and personal problems limited the playing squad in the middle of the season. With the exception of a loss to a mediocre Rivers' team, there were no disasters. Part-time players Tim Norton and Scott Pope were especially strong off the bench. After the loss to Rivers, the team began a ten-game winning streak.

Big wins over Milton and Roxbury Latin led to an invitation to the New England Class "C" Tournament. They drew Groton, a team they lost to earlier in the season, for their opening game. Due largely to strong rebounding by sophomore Derek Spears (twenty-two rebounds), GDA beat Groton. Herzel Fulton led a well-controlled attack in which five players scored in double figures. By this victory, they proved that they could defeat any team in the League. None of the teams that beat GDA were better squads. In both the Rivers and the Belmont Hill game, one or more starters were out of the line-up. The Tourney win over Groton advanced them to the semi-finals of the eight-team tournament. There they met Hyde School of Maine. When their big man (6'8" Darryl Coppin) left the game with an injury after only a few minutes, it looked as if the team might catch up. But a strong zone defense and a well-controlled offense on the other hand sent Hyde to a halftime lead. A strong surge near the end was not enough and GDA's season came to an abrupt halt. The loss became even more disappointing after St. Sebastian's defeated Hyde in the finals by 15 points.

Throughout the season the trademarks of this team were the strong rebounding (Groton was the only team that outrebounded them during the regular season) and a powerful offense. Derek Spears, Rick Willard, and Herzel Fulton were all strong on the boards. The offense led by playmaking guards Herzel Fulton, Mike Steinberg, and Ike Suggs had one ace up its sleeve-twisting and driving Tony Thomas. Even against the paralyzing Hyde zone defense, Tony had little trouble driving to the basket for crowd-pleasing acrobatic hoops. Against Milton, the freshman came off the bench to spur the offense with twenty-seven points. What made the offense strong was that there were no especially weak links. The team had depth which the coach was quick to utilize if things wre slipping away or if players were foul trouble.

Though there were many good things about this team, they were not without their troubles. During the course of the season, nearly half of the players either quit or were very close to quitting. Herzel Fulton, the team's MVP, was the man who really held the team together at the critical stages. His hustle and positive attitude helped greatly on and off the court.

Though they fell short in their bid to become the first GDA team to win a championship in four years, they are the favorite to win the Independent School League crown.

This year's Varsity Hockey team, with overall record of 6-12 and a league record of 5-5, fared much better than many people though possible. Predicted to finish in last place, the team battled hard and reached third place in the division.

From the beginning the team realized that the season was not going to be an easy one as it lost the first three games, two of them by one goal each. The team then won the next two, over a strong Bishop Fenwick in the season, the Governors faced tough competition from the other league, only to bounce back and win the next three league games against Middlesex, 5-2, Groton, 8-7, and St. Mark's, 3-2.

This season's sophomore goalie, Dave Lothrop, faced more shots than a GDA goalie had seen in the last five years, and yet he allowed the fewest goals. These impressive statistics bear witness to his ability. He played every game and finished with a save percentage of 87%. He will indeed be a valuable asset to future teams. The defensive pair of Captains Brad Clark and John Webster, backed up by freshman Paul Morais, should be congratulated on a great job, with Clarky and Webby playing most of every game. They should provide a solid defensive foundation for next year's team.

This year's high scorer was Dave Ham, who had 17 goals and 6 assists for a total of 23 points. His three hat tricks and general scoring talent gave a great boost to the offense this year. Dave Ham, Ben Collins and John Webster all finished within the top fifteen scorers in the league.

Many were disappointed with the slow start of the team, and wished that the winning streak at the end of the year had occured earlier. Although it did not achieve a winning record, the team as a whole was proud of its efforts and accomplishments.

Despite its many losses, the team was always motivated and ready to give its best effort. This can be seen in the four of six games that GDA came from behind to win. The prospects for next year are optimistic, as the team is losing only four seniors. The team thanks Mr. Harrington and Mr. Conway for a memorable season and the seniors wish future teams all possible success.

This year GDA witnessed the coming of possibly the most promising x-country ski team in the sport's eight year history at GDA. Until recent years, skiing has unfortunately been considered a "hack" sport to all those involved. But now, with the help of some new, dedicated students, the cross-country ski team has seen a rebirth of the "ole team spirit". This factor along with unbelieveably good snow conditions created a successful, as well as refreshing, season this year.

The Interscholastic results were disappointing, considering the fact that the team was able to ski everyday after Christmas. Thanks to beautifully constant conditions, Governor skiers improved apprciably as the season progressed. The progress of individual conditioning and attitudes well surpassed the outcome of team composition. This was especially true in the last few weeks of the season when a number of skiers worked towards their full potential. The backbone of the team was composed of the two top skiers: this year's co-captains, Kit Latham. Two girls, Sarah Putnam and Linda Miller, attained Varsity level in the last ISSA meet, and a freshman, Paul Lemaitre, placed 7th in the J.V., showing excellent promise for next year's Varsity. At the Varsity Awards Dinner, Miller was named the Most Improved Skier. Over all, this year's team showed an enthusiastic attitude toward practices and meets alike and hopefully next year the coaches, Mr. White and Mr. Clagett, will be able to use this team's enthusiasm to its greatest potential.

This year's memorably harsh winter found the track team daily braving the difficult weather in rigorous outdoor practices. It occasionally journeyed to Exeter's cage for much-needed speed workouts. Even more seldom were the much-savored and bravely contested meets with whatever school could spare the time. But this is all an integral part of the winter track program and something which makes it a unique challenge to the dedicated runner of field event specialist. It takes spirit and a healthy general attitude to make the team enjoyable while being a serious competitor. This year's team possessed these and a good share of talent also. The strength and consistency of Bob Kruger, co-captain Touraj Touran, and Mike McAleenan bolstered the running attack, while the fine performance of Mauricio Daher in the shot put led the field event crew.

By the time the team gained its full strength in member, in late January, a number of scrimmages had already been completed with nominal success. However, in its finals series of meets, the now-complete team performed well, and finished the season on a winning note. With the defeat of Exeter High School and the Exeter Academy JV team shortly thereafter, the team gained valuable experience and demonstrated its great potential. That potential was most spectacularly realized in the final meet of the year—the Interscholastics. With the help of Peter Feith and Dana Davis in the sprints and Dave Hershey in the field events, the team placed second of four by defeating Deerfield and Northfield-Mt. Hermon, while losing substantially to a superior Moses Brown outfit. It was the first time in years that Governor Dummer had done so well, in this meet, and in the season as a whole. The tribute must go to this well-deserving group of dedicated track men.

Fortunately for many girls who weren't interested in running track, playing basketball, or taking cross-country skiing during the winer term, an alternative, competitive sport was offered this year: volleyball. Miss Clark coached this sport, and did a very good job considering that she has had limited experience with the game in the past. All the volleyball players were well aware of their handicaps. This was their first year as a competitive team, but enthusiasm present among the girls seemed to make up for their inexperience. Although the Varsity team, led by co-captains Tina Heffron and Evie Saliba, did not win any of its four games, the beginnings of great future talent were apparent.

Sally Pendleton, Tina Heffron and Meredith Miller won many points for the Varsity with their great serving skills, and all the rest of the team members showed great promise in their all-around playing abilities.

The J.V. record was a little more encouraging as they won one out of six games. It also took this team a while to get going, but once moving they gained momentum and managed a surprise victory against Pingree. Great improvement was apparent in every member of the JV squad by the end of the season. With a little more time and experience, the volleyball teams are looking forward to future winning seasons.

FIRST ROW: Dean Morrison, Chris Poole, Don Knight, Greg Rose. SECOND ROW: Coach Harlow, Ray Casey, Russell Cushman, Captain Andy Sterge, Drew Jones.

This year's Vasity Tennis Team was one of exceptional skill and great depth, and it was the best team that Coach Harlow has seen since his arrival at GDA. The team was a well-rounded unit with no dominating individuals, and a solid contribution made by all. Although four out of the top six individuals on the team were injured during one part of the season or another, the depth and balance of the squad were always able to fill these vacancies and pull through in the end. This year's team consisted of Co-Captain Andy Sterge, Greg Rose, Russell Cushman, Ray Casey, Peter Feith, Drew Jones, Don Knight, Dean Harrison, and Chris Poole.

The year started off with a tough match over St. George's which GDA pulled out, and then another victory over M.I.T. followed. The match that provided great inspiration was the 11-7 win over last year's league champions, Nobles and Greenough. Everyone played exceptionally well. As a result of this win, the team acquired a sense of winning and self confidence that would prevail for the remainder of the season.

The team constantly pushed on to new goals with Coach Harlow providing the impetus to attain them. His high spirit and knowledge of tennis gave everyone on the team the desire to improve. He helped the entire team to better their game and was the prevailing force in holding the team closely together.

The team unity was further strengthened by the repect the members of the team had for each other. Everyone from the top to the bottom of the ladder gave and gladly received any advice.

The team then rolled two wins over St. Sebastain's, Lawrence, Groton, B.B.&N., Rivers, and Middlesex. Consistantly good play from everybody, along with improvement with the play of the doubles teams. The inevitable almost happened, even though Coach Harlow warned the team of it; and overconfidence almost lost the match against St. Marks. Tied after the singles matchs at 6-6, the doubles began. Four out of six sets played were needed for a win. The first Doubles team of Sterge-Feith won both sets. The second team of Rose-Casey split sets, and the third of Jones-Harrison lost their first and had to win their second for a victory in the match. Not succumbing to the intense pressure, they won it 6-2 and helped the team escape a tie by the skin of their teeth. This was a very important match to the team as a whole. Russell Cushman had been sidelined with an injury and Dean Harrison had been called into action for the first time. The team learned a lesson about getting too overconfident, a lesson that remained with them for the rest of the year.

The year's Varsity Lacrosse team, led by the great coaching of Mr. Evans and Mr. Anderson, had another very successful year. The team was inspired by Co-captains Phippen and Pietrafesa, who both encouraged "Team Play" as the style of the Governors needed in order to continue their winning ways.

The Governors opened up the season by easily defeating their first four opponents. Phillips Exeter, always a strong team, was the Governors first difficult game. With the outstanding goal tending of Dave Phippen and beautiful all around team play, the Governors went on to win 5 to 0.

In the next four games, the team went into somewhat of a slump, but still managed to win 2 out of the 4 games; the two losses were against Lawrence Academy and Winchester High School. The two wins were against B.B.&N. 8-4, and St. Mark's 6-4.

The team quickly got back on the winning track and suprisingly defeated a very strong Pinkerton Team 4-3 in a defensive game. The Governors then went on to defeat Andover, with help from goalie Dave Phippen and three goals by Co-captain Joe Pietrafesa. This game assured at least a tie for the Division I championship.

The Governor Dummer Girls' Lacrosse season was one of mixed feelings. With nine returning Varsity letter winners, it looked like a successful season was in reach, but we soon learned differently. We worked hard under the leadership of Co-captains Barry and Sutton, and met our first opponent St. Georges; yet, even though Gail Hoglander in goal played a fantastic game, we could not overcome the strong, confident team who beat us by a score of 6-4. This dented our ego and set up working harder for our next game. The game vs. B.B.&N. was simply frustrating. The field was small and as hard as tar, so we were not only surprised when he had to reach the other goal sooner than we expected, but we were astonished that the ball bounced on its own down the field! The defense worked well together, with exceptional play from Kate Wise and our goalie Gail Hoglander, but we still lost by one goal. The closeness of the game further upset us. The Pingree game was in the near future and a victory was desired! Yet, once more the team could not pull together and play as a unit the way that it had the ability to. The tension was incredible and Pingree beat the team by a considerable amount. The Governor Dummer team walked off the field with little hope for any successful season.

Coach Baker immediately switched the defense to a box formation, got the offense back on their feet, and the following game the Governors went on to defeat Thayer Academy.

The Season looked hopeful at last. The confidence had begun to return to most players, yet it was lost by the end of our Andover game. The stick slashing and bad mouthing was unfortunate for both teams. The GDA girls had tied the score 7-7 with one minute to go before an Andover girl scored. We lost 7-8.

The team felt there was only one thing left to do; work harder! The defense was switched back to a tight man on man defense, and the offense worked hard on short quick passes. The team pulled together expressing their own thoughts, and we were a nervous bunch of girls waiting for the face off to begin against Exeter. The change in our play was awesome. The offense dominated the game with beautiful, short passes between the two wings; Saunders and Adams, and the straight offense Barry, Sutton, and McKelroy with Sutton and Barry each scoring four goals. This left little work for the defense, who worked hard and kept the ball away from Hogie in the net. The team spirit and skills had risen to the occasion, and not only the school, but the refs and spectators were beaming with pride. The score in the end was 8-1.

The girl's last game was against their number one rival: St. Pauls. The play began with the Paulies dominating the game. The varsity goalie, Gail Hoglander, was not able to play, but Martha Blake, the J.V. goalie, played an excellent game stopping many of the Paulies shots. Unfortunately, the Paulies won the game 11-3, but the team played a superb game and no feelings of regret were felt.

Fourteen seniors are leaving the varsity team, but they go with knowledge that next year's varsity and junior varsity teams will be strong and ambitious with the desire to win, and improve on this year's season.

The 1977 Varsity Baseball team enjoyed its best season in recent years to finish the season with a 4 and 8 league record. The team was obviously an improvement over past seasons, but nagging injuries, a few slumps, and defensive shortcoming plagued the Governors for a while to make it very hard to get a consistant performance necessary to win the league.

The Varsity got off to a good start despite the loss of hardhitting leftfielder, Bruce Carter, out with a broken arm. Nevertheless, in the season opener, the GDA Nine played a flawless ball game for five innings and roared ahead of a tough Thayer team 3-1. Unfortunately, that bubble burst and as the errors piled up the game was eventually lost 8-3, despite the first of many stalwart performances by Tom Knudsen.

The undaunted GDA Nine came back to even its record to 1-1 as the Varsity tripped up a surprised Groton team by a score of 5-1 in the home opener. Groton, the reigning league champs, were without the services of Steve Brock, their star pitcher, yet even he would not have been able to offset Tom Knudsen's 12 strikeout performance.

Passing over the B.B.&N. loss, thanks to their ace Dave Mason, the Varsity rallied for two straight wins, the first being against Nobles and Greenough and second being Roxbury Latin. The Nobles game was really a shot in the arm for the Governors, yet they came back to erase a 2 run deficit, highlighted by Sophomore Chris Shea's booming 2 run clout and senior Doug "Needles" Stone's triple which led the Governors to victory. The GDA Nine, fighting adverse conditions and bad hops on an infield that looked like a driving range, finally put away an inferior Roxbury Latin team by the score of 6-4. The

Varsity started off well enough, with a run in the first inning, but for a while everything went downhill. Until the sixth, with bases loaded, first baseman Curt Metzger ripped a single to center to put the game away for the Governors.

Then, for 5 games, the Governors went cold. The baseball looked like a pea to the hitters, while the defense was unable to make the big play. The "lowlight" of the season was undoubtedly the double header loss to Rivers and Belmont Hill on Alumni Day.

The most satisfying game of the season was the very next game, as GDA produced timely hitting and two homeruns to go along with some fantastic defensive plays, to desimate St. Sebastian's 10-1. Down by one in the third, leadoff batter, second baseman Ken Bloom doubled and then Todd Dagres rifled a sharp single to left knocking in the tying and winning runs. Tom Knudsen and Curt Metzger's homeruns only put icing on the cake.

Obviously, the Governor's will miss Knudsen and "Needles", two of the four seniors graduating this year. The team will also miss Mr. Adams, and wishes him good luck next year. And, with a healthy Bruce Carter along with the entire infield back, the Varsity Baseball team seems to have built a solid club for years to come.

This year's Governor Dummer Track team has been the best that the school has seen since 1967. Led by Coach Sperry and individual Coaches Soule, Abusamra, and Tucker, the boy's track team worked right alongside the girl's team. Finishing with a record of 10 wins and 2 losses, the Governor's coaches were quite pleased with the team's performances all season.

In the first meet against Triton and Winnacunnet, the Governors won by a slim margin. The highlight of the meet was the one half mile relay team consisting of Herzel Fulton, Touraj Touran, Rupert Cornwall, and Rick Willard. The relay team easily defeated the other team and was only a few seconds away from the school record. In the next tri-meet, the Governor's fell to Masconomet, who are the champions of the CAL league, and beat Timberlaine with no difficulty.

This year at the Exeter relays, the GDA team did well. Out of 7 teams entered, the Governors took first place in the four mile relay, the pole vault, and the distance medle. The team faced its toughest competition against Thayer. Although there were some outstanding performances in this meet, such as Bob Kruger's breaking of the school record in the two-mile run, the Governor's were not strong enough to defeat this powerful Thayer team.

This year's distance was strong, with plenty of depth, and displayed its mettle in a meet against Cushing Academy. In this meet the distance crew won eight out of nine places in the distance races. Because of their success, the distance crew "assisted" their Coach, Mr. Abu, to a "dip in the pond". The Governors won this meet also. The team then won a close victory over Belmont Hill; thanks to the efforts of the pole vaulters Dana Davis and Doug Minster, who each broke their personal records by six inches. In a tri-meet with Milton and BB — N, the GDA squad easily defeated both squads. In this meet Mike McAleenan broke his school record in the triple jump with an excellent leap of 41′ 1′.

The track team's most impressive meet was their last one, against St. Pauls and Kimball Union. The St. Pauls team was not much competition, but the Kimball Union team was undefeated and number one in the North Lakes Region. However, everyone on the Governor Dummer squad performed very well, and they were able to conquer this undefeated team.

Next year's track team has great potential, because it is losing few—but key—seniors; such as co-captains Tim Woolf and Mike McAleenan, Dana Davis, Touraj Touran, and Bob Kruger. Under the leadership of next year's tri-captains Herzel Fulton, Doug Minster, and Scott Anderson, the team is looking forward to a fantastic season.

1977 marked the first year of an independent Girl's Track Squad at Governor Dummer Academy. Coached by Miss Clark with ample assistance from Mr. Sperry, Mr. Soule, Mr. Abusamra, and Mr. Tucker, the girls managed to put together a 3-3 season with little experience against strong competition.

The first meet was against St. Paul's, and although the girls did well, they were defeated by the more experienced St. Paul's Squad. The result of the next meet against Exeter was a foregone conclusion, since they had more than double the number of girls on and experienced and well-rounded team. GDA lost, but, as before, they put up a good fight. The meet against Cushing Academy provided the girls with their first win of the season, an encouraging one because the two teams were pretty evenly matched. Andover proved to have another large team, but the GDA girls persevered, and although they lost, were able to record some outstanding individual performances. The last contest of the season was against girls from BB & N and Milton who journeyed to GDA with their boys teams. Our girls performed well, and were able to easily defeat these teams in this informal meet.

The GDA girls put in a valiant effort but were not able to place at the Interschools due primarily to an outstanding field of nineteen other schools dominated by

exceptional talent. Many girls did, however, improve tremendously and set PR's at the ISL's. Captain Hilary Laraba came closest to placing with a seventh in the Long Jump and a PR which exceeded her previous best jump by a full foot. Sally Pendleton also PR'd in the 440 but was kept from placing by superior competition. Although GDA did not amass a single point at the meet, it was a good experience for the girls to compete with such a wide and talented field.

The team, although in its first official year, showed surprising talent and depth for its size. Injuries plagued the team at the beginning of the season, but they cleared up with time. Outstanding individuals included MVP and Captain Hilary Laraba in sprints and jumps, Lisa Sapuppo, another sprinter and jumper, Sally Pendleton in the 440, Johanna Stephan in the hurdles, and Randy Tye in the throwing events. Special mention should be made of the long distance girls, Mavorneen Latham in the mile and 880 and Gretchen Putnam in the mile, who, along with Heather Blair, suffered through the grueling workouts of Mr. Abu and showed tremendous improvement as a result. Good Luck to next year's Captain Johanna Stephen and the rest of the team, and best wishes for a great season.

# Golf

FIRST ROW: J. Hatfield, A. Bendetson, T. Richards, D. Campbell, J. Ronan. SECOND ROW: Coach Conway, M. Weldon, J. Webster, A. Leahy, J. Slater.

This year's Varsity Golf Team had a 500 season with 4 wins and 4 losses. However, at one point, it seemed as if the Governors were on their way to a winning season. The opening match was easy for the team as they defeated Triton High School 4 to 2. The Governors followed that win with an easy victory over Worcester Academy. The next match was a real test for the Governors, yet they managed to beat a strong Nobles team 4 to 3. Unfortunately, at this point the team started to become overconfident because of the 3 wins behind team.

After starting the season with three wins, the Governors were only able to win one of the remaining four matches. The first loss of the season came from the skill of a non-league competitor, Tabor Academy. The next match was just as disappointing as the previous one, since GDA had the potential to defeat the Rivers team. However, the Governors came back in the match against Middlesex—last years runners up in the league—to put another win under their belt. With a 4-2 season going into their last two matches, the Governors could not obtain a win over the Belmont Hill powerhouse or Lawrence Academy's Golf Team. Even though the record was only fair, each of the players had a successful season individually.

| Golf 4-4-0 | GDA | OPP |
|---|---|---|
| Triton H.S. | 4 | 2 |

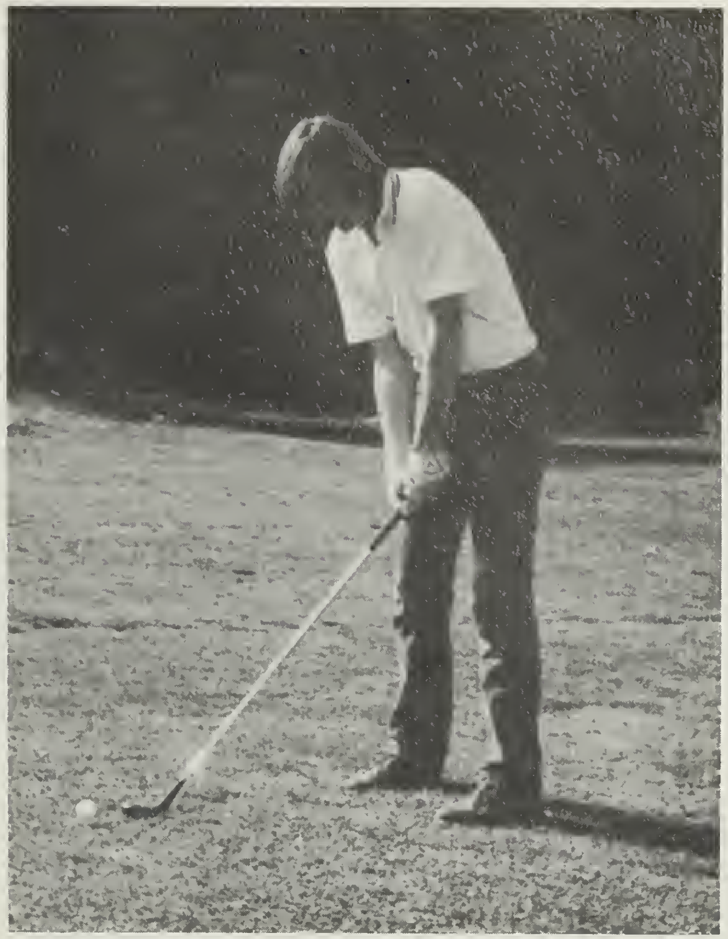
| Tabor | 2 | 6 |
| Rivers C.D. School | 2.5 | 4.5 |
| Middlesex | 4 | 3 |
| Belmont Hill | 0 | 7 |
| Lawrence | 1 | 6 |



Captain Tim Richard, who played most of the season number 1 ranked, had a winning record of 5-3, and helped the team considerably. The number two man was Alan Leahey; one of next year's co-captains, who won many key matches for the Governors, including the only victory over a British National Team. The other co-captain for next year, John Webster, who played at the number 3 spot, had a fine season. Doug Campbell started the season at number 7 and worked his way up to number four. Doug probably improved more than any other player on the team. The number 5 position was filled by Mike Weldon, who came back in one match to win on the last hole and give the Governors an important victory. Andy Bendetson, the comedian of the team, played at the number 6 spot and only suffered one loss for the entire season. The team was rounded off by the number 7 man Jim Slater. One could always count on him to bring in several points. These seven plaeyrs formed a team of greath depth.

## THE MORSE FLAG

### 1977

The Morse Flag was first awarded 63 years ago at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Rev. Glenn Tilley Morse, a long-time friend and trustee of the Academy, a new flag is provided each year in order that the old flag which has flown over the school during the past year may be given to a member of the graduating class.

The honor accorded this year's recipient of the Morse Flag is heightened by the fact that the Faculty made its selection from no fewer than six bona fide candidates, individuals whose overall records in the Academy have earned them the highest respect of their teachers and their peers. Yet the performance of the senior whom we recognize is rare even among equals—quiet, unswerving excellence which defines the whole person whom we have come to know.

This leader for the past two years at Governor Dummer has excelled in not a single varsity sport, yet has contributed faithfully at some level every term; has won no leading part on the Academy stage, yet has been a stalwart in support of several productions; has held no pre-eminent student office, yet has provided leadership on councils and committees, in clubs and publications; in the classroom and in the dormitory.

Even some of the faculty have confessed that, should they momentarily slip into error in their teaching, this individual—perhaps the only member of the class to note the mishap—with infinite tact and supreme sensitivity to tender faculty egos, will gently set the record straight.

Elected a member of the Cum Laude Society as a Junior, admitted by early decision to that hallowed College on New Hampshire's Hanover Plain, a Finalist this year in the National Merit Scholarship competition—I have suspended as long as I can in this citation any mention of gender—she is the first girl ever to win the Morse Flag at Governor Dummer Academy. She is:

Heather Jean Blair of Marblehead

Goodwin Athletic Prize:

The Goodwin Athletic Prize, established by Mr. Fred H. Goodwin of the Class of 1916, a trustee of the Academy from 1916 to 1949, is given to the senior who, by his athletic achievement and sportsmanship, has brought the greatest honor to his school during the past year.

Individual athletic prowess does not necessarily, in and of itself, guarantee successful teams. Nevertheless, a stand-out athlete ignites and excites those around him. Over the years, members of the Class of 1977 have provided the school many memorable moments. Even from this one year there are too many to recount, symbolized, for example, by the hair-raising dexterity of a Dave Phippen in the lacrosse goal; the reliable performances of a Huw Jones over three seasons on three varsity teams; or the superb stamina and selflessness in his sport of a Bob Kruger, who added a whole new chapter to the honored tradition of distance running at Governor Dummer.

Then every so often there steps into the picture an athlete whose very presence bolsters the spirit and the confidence of a team, who leads not so much by exhortation as by what he is willing and able to do. Such a one is the winner of the Goodwin Athletic Prize this year. To a football squad full of hope, he, by his toughness and his knowledge of the game, provided a rallying point; to the baseball team, power and competive drive, which made him Most Valuable Player, and, in an astonishing display, to the wrestling team—having, himself, never wrestled before this year—a combination of the kind of sheer physical drive and competitive desire which lifts the spirits of all.

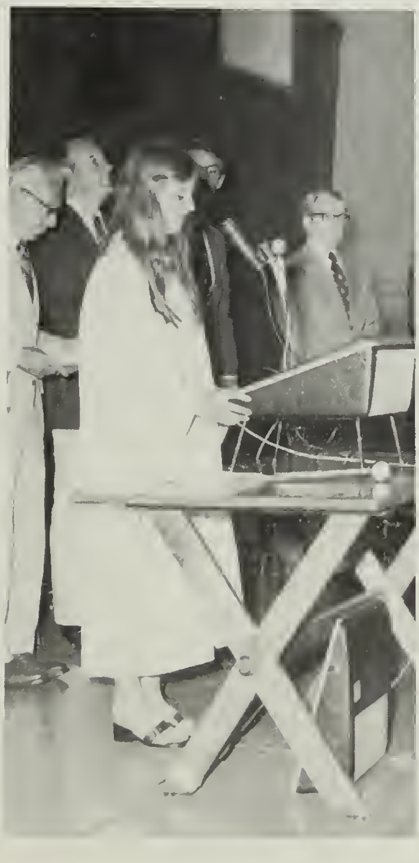
C. Thomas Knudsen, Jr. of Portland, Maine

## Thespian Award

The Best Thespian Award was first made in 1971 when our Drama Club became a member of the International Thespian Society. It is awarded for meritorious work in the field of dramatics, for inspiring participation, providing leadership, and developing theatrical knowledge and abilities.

Those of us who have witnessed over the past fifty years or so the ebb and flow of Broadway and Hollywood talent can recall, if we take time to think, faces, if not names, which have flashed into prominence and quickly faded. Consistent greatness out of the multitudes is the gift of relatively few: the Bette Davis's, the Katherine Hepburn's, the Lawrence Oliver's, and some might predict the Pink Panther. As production after production has crossed the Governor Dummer stage over the past three years, one individual, has, wherever he has appeared, stood out: for his creativity in portraying a whole rainbow of characters, for triumphing over three-page monologues in "Our Town"/over the intricacies of the soft-shoe in "Dames at Sea"/over the last-minute, emergency portrayal of an extraordinarily delightful and complex character in his own production, with Vicki Papaioanou, of "Black Comedy": the astonishingly consistent and gifted:

Steven John Sapuppo of Andover



## Anne Marie Murphy Athletic Award

The Anne Marie Murphy Athletic Award was established in 1974. It is awarded to that senior girl who, by her example and by her achievement in athletics, has brought high honor to herself and to her school.

The Class of 1977 has, since it first entered the Academy, been, among its girls, rich with athletic talent, desire, and versatility. The growing throngs of spectators of girls' contests testify to a general recognition that, win or lose, our players provide more than their share of excitement. There are so many: Ginnie with her consumate grace and coordination; Jeannie and Kate with their fierce competitiveness; Betsy and Hilary with their quickness and agility...(and the dot dot dot that I have written in my notes stands for so many more—so many more—equally to be admired).

But the palm this year, as it must go to just one of so many, goes to one who embodies in herself the best of the qualities which characterize one or another of her talented classmates: speed, dexterity, unremitting determination, leadership, and above all, an unflagging loyalty to her teammates and to her school:

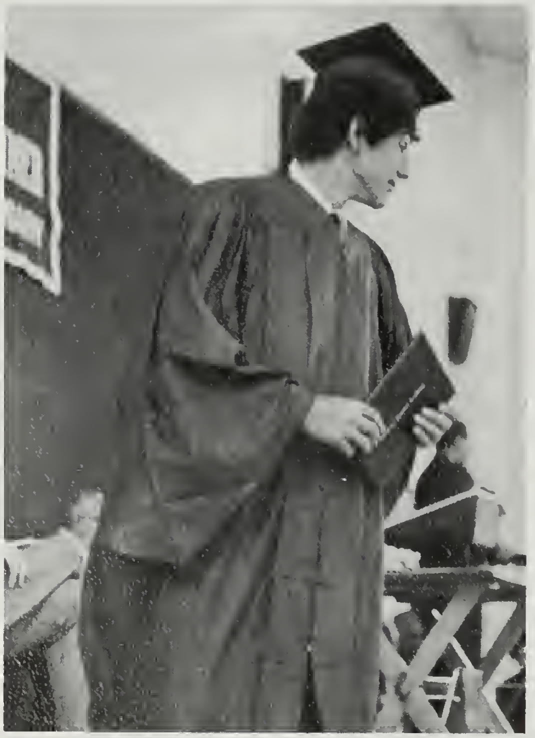
Sarah Poyen Barry of Byfield

## Cumings Prize

The Cumings Prize was established by the family and friends of the late Fred T. Cumings of Troy, New Hampshire. It is awarded annually to a student who has shown perseverance, hard work, and good spirit in contributing to the welfare of the school.

It has become a cliche, I suppose, to say that today in the United States, in Massachusetts, even in Byfield and at the Academy we live at a frantic pace, often filled with excitement, to be sure, but with uncertainty as well. In such a world steadiness is to be prized. The winner of the Cummings Prize has for three years progressed through school quietly, steadily, strongly and become one of those who have lent stability and purpose to his class. Scholar, talented artist, worker, at the end of his junior year both recipient of the prestigious Harvard Prize book and elected to the Cum Laude Society - and in his one spring on the varsity a bulwark of our fine lacrosse team:

Douglas Fraser Cawley of West Newbury



## Gaffney Prize

The Gaffney Prize, established in memory of Robert A. Gaffney of the Class of 1940, is awarded to that senior who, in the opinion of the faculty, has been most considerate of the rights, opinions, and sensibilities of others.

Every so often there comes along a young man or woman to whom faculty and students alike turn for advice and leadership—whose friendliness, concern, and generous nature are felt by all. A member of the Cum Laude Society at the end of his junior year, concerned in a variety of activities, All-League in soccer and a leader in track, the first Governor Dummer student from outside of the United States to be selected as a senior dormitory proctor, a young man to whom we owe much:

Touraj Touran of Teheran, Iran

A number of awards have been earned by underclassmen - worthy souls in their own right. Since, however, their special day in the sun is yet a year away, I shall on this occasion give you but tantalizing glimpses of their incipient greatness.

## The Ingham Scholarship

The Ingham Fund Scholarship was established through the generosity of the family of the late Dr. Charles S. Ingham, former Headmaster of Governor Dummer Academy, in honor of his father, Samuel Ingham of Saybrook, Connecticut, to help an industrious and able student through the school.

This year's Ingham Scholarship has been won by a regular occupant of the Honor Roll, a hardworking member of the cross-country and wrestling squads, good company and a good fellow:

Herman Thomas Diehl III of Georgetown

## The Hale Scholarship

The Hale Scholarship was established by Dr. and Mrs. Clayton H. Hale in memory of their son, Dean Channing Hale of the Class of 1961. It is awarded to that student who, through perseverance, has shown the most improvement in the various aspects of school life and has become an esteemed contributor to the well being of the Governor Dummer community.

A school is fortunate in the number of natural leaders with which it may be blessed: individuals whose concern seems nearly always to be turned outward toward others and the welfare of the group. Such a young man is the recipient this year of the Hale Scholarship.

Herzel Vermont Fulton of Los Angeles, California

## Whittemore Awards

The Timothy Rogers Whittemore award is voted annually by senior dormitory proctors and day student representatives to that member of the sophomore class who, by attitude and perseverance, has made the best contribution to the Academy. This year's recipient:

Linda Lee Miller of Byfield

## The Francis Scholarship

The Francis Scholarship was established by Mr. and Mrs. Clarance Francis in June 1941 in memory of their son, Richard Hawes Francis, of the Class of 1936. It is awarded each year to a student of high character who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness in the life of the school.

Another member of the cross-country coterie accustomed inhabitant of the High Honor Roll, a Moody-Kent prize winner last year, with a long and impressive list of credentials in the school, the winner of the Francis Scholarship is:

M. Philip Graham of Jordanville, New York

## Special Prizes

An alumnus of the Class of 1911 at the Academy, father of an alumnus, friend and neighbor of Edward W. Eames for years during the latter's retirement, until their deaths in 1975 within days of one another—and for many years a generous benefactor of the Academy—Milton L. Dodge of Newburyport in his bequest provided for the continuance each commencement-time at Governor Dummer of Special Prizes to be awarded to "members of the Senior Class whose perseverance, courage, initiative, sense of responsibility, loyalty, and/or concern for others have contributed to the strength of the Academy". With gratitude to Mr. Dodge and his family, we award eight Special Prizes.

Red Key Society, *Yearbook* Board, Radio Club, Photography Club, Social Committee, Student Tour Committee, Drama Club, Jazz Band and Orchestra, Commencement Committee, dormitory Proctor, Co-Captain on two varsity teams, President of the Varsity Club in its first year—What else? What else is there? I told you he has contributed to virtually every facet of Academy life. The winner of the first Special Prize:

Joseph John Pietrafesa, II, of Syracuse, New York

GOVERNOR DUMMER
ANNIVERSARY

For some, a cataloguing of all their activities would simply be confusing. In such cases, one may resort to touching upon high points: her election to the Cum Laude Society following her junior year; her conscientious service on the stressful Student/Faculty Discipline Committee; her capturing of the Ingham Fund Scholarship as a junior; her creative choreography in student musicals, including bringing down the house with a scintillating rendition of the Charleston in "The Boyfriend" (along with her pupil and ever-since-then famous exponent of Terpsichore Jay Taggart)—in fine, her inexhaustible interests and energy—

Shelley Maureen Miller of Hampton Falls, New Hampshire

The race is not always to the early speed. Often as not over the long haul strong and steady wins it. Much that has benefited many of us at Governor Dummer is planned and carried out by a relative handful: those in the Community Service Program for example, on the Student Tour Committee, the Chapel Committee; those who collect and process the Vacation Travel Plans. Our present subject's *caring* manifests itself in many little ways: in his sensitivity to the needs and problems of handicapped adults, of retarded children; in his willingness to work as Chairman of the Social Committee to provide relaxation and entertainment for the school (during the recent Invitational I wonder how many were conscious of the hours he spent to see it go well—and to clean up afterward); and over the past two years in his steady growth as a student—

Perrin Hamilton Long, III of Ossipee, New Hampshire

He looks like an athlete, he competes like an athlete, he gains recognition both as an individual athlete and as a dependable team player: in lacrosse for three years, in wrestling for three years, in football, where he earned All-Independent-School-League mention. But there is far more to this young man than press notices. Selected to the Student Council by his peers, co-Chairman in charge of Library Proctors during the day, he not only ranks high in his class academically, but early in the year accepted a draft as Dormitory Proctor and moved over from his upperclassmen's dorm to help lend stability in Perkins. Every school needs in large doses his kind of cooperativeness and stick-to-it-iveness:

Huw Richard Jones of Geneva, New York

Especially to be admired among young people—indeed, among people of all ages—are those who stand out for the very fact that, in contributing, they do not covet the spotlight. With quiet grace, with generosity of spirit, with unfailing loyalty to their friends and to their school: in the present instance, as a member of key committees, for example; as a winner of eight varsity letters, a co-captain and MVP in her senior year; winner of the Dean Channing Hale scholarship as a junior, of the 1977 Editor's Prize for the Yearbook, and of this Special Prize as a senior:

Elizabeth Helen Saunders of Byfield

Scholar, member of the Cum Laude Society, recipient of a National Merit Scholarship Competition Letter of Commendation; hospital orderly in Newburyport for two terms while a participant in Mrs. Williams' outstanding Community Service Program; member of the Chapel Committee and of the Student Council; a leader on the wrestling team for his technical mastery of the sport; setter of high standards in everything he has done at the Academy, the next winner of a Special Prize is:

John Thomas Lu of Tewsbury

In how many areas can one excel? In scholarship as winner of the Renssealaer Polytechnic Institute Medal in his junior year and as a member of the Cum Laude Society; in athletics as three time captain or co-captain of varsity teams and as Most Valuable Player on one of them; in activities, as Editor-in-Chief of the yearbook for his class; as a leader in good nature—and in the school:

Charles Eric Laub of Orchard Park, New York

The role of a one-year senior at Governor Dummer Academy is a demanding one—there is so much to learn, so much to cover. It is not surprising, therefore, that such students, solid citizens though they may be seldom stand out. This is most emphatically not to be said about the recipient of the last of the Special Prizes tonight. A determined scholar, he achieved membership in Cum Laude in nine short months; with regularity he has shattered meet and course records not only here at the Academy, but far and wide throughout the Independent School League and beyond; yet those rare occasions on which he has been beaten served but to heighten him in the esteem of those who watched, both as a sportsman and as a team player. Admitted to the U.S. Military Academy at West Point upon graduation here, he is Governor Dummer's nominee for Chairman of the Joint Chiefs of Staff in the year 2007!

Robert Kruger, Jr. of Cape Elizabeth, Maine

## The Wilkie Service Award:

The Wilkie Service Award in honor of Valleau and Marjorie Wilkie is awarded to a senior whose contributions to the community outside the school have best demonstrated the deep concern, the unfailing sympathy and aid, for which Val and Marge are affectionately remembered.

In so many of the areas in which we have honored others this next individual might be cited! Not as a long distance runner, perhaps—but as a long distance contributor: beloved of children at the YWCA Pool in Newburyport, of the retarded children who have joyed in the social—recreational program on the Academy campus over many months; cited by the American Red Cross for her unstinting leadership in three consecutive Bloodmobile programs here; contagiously enthusiastic and indefatigably concerned for others, she has also lent her talents many times to our stage, notably as Sarah in "Guys and Dolls", where her spifflicated rendition of "If I were a Bell" must surely have set the pace for Mary Mackey-Smith's tipsy spinster in this month's delightful performance of "Black Comedy", which Vicki herself co-directed. I cannot conceive of Governor Dummer without a Papaioanou on board! The winner of the Wilkie Service Award:

Vicki Papaioanou of Haverhill

## THE ACADEMY PRIZE

There are two prizes which are awarded by vote of the entire faculty: one is the Morse Flag, the other, the Academy Prize. Upon the retirement of Headmaster Ted Eames in 1959, the underclassmen of the Academy endowed the already existing Academy Prize so that henceforth at each commencement it could be given "in honor of Edward W. and Eleanor K. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes". Those visiting the Phillips Building will find inscribed on the paneling outside my office door, in the entry-way of the Cobb Room, the names of all Morse Flag winners, reaching back to 1913, and the winners of this Academy Prize from 1931.

Each year that senior is honored by the Academy Prize "who, in the eyes of the entire faculty by his or her unselfishness and sportsmanship has best exemplified the spirit of the school".

Once again this year the competition for this honor has been fierce. He who has emerged the winner symbolizes for many of us the determination and self-discipline to translate what may be moderate talents in a variety of areas into that rare gift: true strength of character.

Of him one of his teachers has written: "Math probably isn't his strong suit, but effort is, and he's done a superior job. . ."

One of his coaches writes: "He is a tough competitor with nearly ideal temperament, who responds intelligently to coaching, seldom loses his cool, and hardly ever gets down on himself. He is also a member of that nearly extinct breed, the genuine sportsman, who can swallow a bitter loss with an outward smile, can behave like a gentleman toward the winner, and can come back with even more resolution for the next contest".

His dorm master testified: "As a dorm proctor, he is superb. He handles well the roles of disciplinarian and 'big brother' which are so necessary. . ."

Winner of seven varsity letters in four sports, three times captain for two of them, Most Valuable Player multiple times, member of the Yearbook staff, the Red Key and, that most difficult of all assignments, the Student-Faculty Discipline Committee, his contributions cover virtually all aspects of life at the Academy.

It is a special satisfaction to announce that this year's Academy Prize goes to him who, earlier this month at our meeting to elect prize winners, gave virtually the whole faculty a "Big Mac" attack:

Michael Gardner McAleenan

of West Lebanon, New Hampshire

## Thorndike Hilton Cup:

The Thorndike Hilton Cup was established by the Class of 1919 in memory of their classmate, Thorndike Hilton. It is awarded each year to the ranking scholar in the Senior Class with this cup goes a silver medal.

Last year the Thorndike Hilton Cup went to Sootpanoo Sinthavanuchit of Bangkok, Thailand, who, among stellar achievements, attained, remarkably, a high honor grade in English in his first year in an English-speaking country. This year stands as proof that home-grown talent can meet the challenge of scholarship with equal eclat—and, indeed, garnish the achievement as spectacularly as did Noo. The last time I looked at the head of the rank-list for the Class of 1977 stood four seniors with cumulative grade-point averages of 3.8 or higher on a four-point scale. Here in June, the pre-eninent of these shows a final overall record of 4.2 on a four-point scale—an accomplishment comparable to something like perambulating two feet above the ground on thin air. The winner of the Thorndike Hilton Cup for 1977—

Heather Jean Blair of Marblehead

## Moody Kent Prizes

The Moody Kent Prizes are given annually to those students throughout the school, graduating senior or underclassman, who have achieved outstanding records in various academic departments. No more than one may be awarded to the same student.

1. The Moody Kent Prize for the highest standing in English is awarded to: Heather Jean Blair of Marblehead
2. The Moody Kent Prize for the highest standing in History is awarded to: John Thomas Lu of Tewksbury
3. The Moody Kent Prize for the highest standing in Mathematics is awarded to: Touraj Touran of Teheran, Iran
4. The Moody Kent Prize for the highest standing in Science is awarded to: Eric Lewis Weinshel of No. Dartmouth
5. The Moody Kent Prize for the highest standing in Religion is awarded to: Martha Ann Blake of Wenham
6. The Moody Kent Prize for the highest standing in Music is awarded to: M. Philip Graham of Jordanville, New York
7. The Moody Kent Prize for the highest standing in French is awarded to: Nina Jeannette Saliba of Andover
8. The Moody Kent Prize for the highest standing in Spanish is awarded to: Vicki Papaioanou of Haverhill
9. The Moody Kent Prize for the highest standing German is awarded to: Geoffrey Howland Wall of Newbury

## Ambrose Speaking Awards

There have been Ambroses connected with the Academy for, at the very least, a century. I suspect that the Ambrose Prize Speaking Awards date back to the 1890's, when Fred Marden Ambrose was a Trustee. Last night, three seniors demonstrated the happy outcome of the conjoining of thought with eleoquence. They are this year's winners in the competition:

| | |
|---|---|
| Third: | John Thomas Lu of Tewksbury |
| Second: | Charles Eric Laub of Orchard Park, New York |
| First: | Tracie Lou Ackerman of Buzzards Bay |

10. The Moody Kent Prize for the higest standing in Latin is awarded to: Martha Susan Zawacki of Ipswich
11. The Moody Kent Prize for the highest standing in Art is awarded to: Douglas Fraser Cawley of West Newbury

## HONORARY CERTIFICATES

I have the pleasant privilege of bestowing upon two special members of the Class of 1977 honorary certificates. English-Speaking Union scholars from Great Britain, they have triumphantly upheld the traditions of excellence and of good fellowship established by their ESU predecessors at the Academy.

Val from Newbury, England, and Queen Anne's School, Caversham.

Robin, by way of Scotland, most recently of London and the City of London School at Victoria Embankment.

Val, umbued with warmth and friendliness and caring, wooed swimming pool customers with her dulcet commercial on WNBP in Newburyport, on her way to international fame on the BBC.

Robin, chemist, physicist, mathematician, stepped in front of the footlights from his role as stage manager for productions like "King Lear" at his school in London, to play delightfully the part of the beleagured in Governor Dummer's "Black Comedy"—all of this on his pathway to Cambridge University this year.

To both of you, the heartfelt thanks of all of us here in Byfield—and Godspeed!

Valerie Jane Turner

## PRIDE IN QUALITY EDUCATION

Governor Dummer Academy is widely known for its high academic standards and for the excellent learning environment the college preparatory school offers. Its historical beginnings extend as far back as the days of the Massachusetts Bay Colony, when Lieutenant Governor Dummer will 500 acres to the town of Newbury. We are indeed fortunate to have this outstanding educational institution so near. The Newburyport area—a good place to live; the Institution for Savings—a good place to bank.

"It was but yesterday we met in a dream.

You have sung to me in my aloneness, and I of your longings have built a tower in the sky.

But now our sleep has fled and our dream is over, and it is no longer dawn.

The noontide is upon us and our half waking has turned to fuller day, and we must part.

If in the twilight of memory we should meet once more, we shall speak again together and you shall sing to me a deeper song.

And if our hands should meet in another dream, we shall build another tower in the sky."

—The Prophet
